★ Good online reviews

📍 Great location. Strong neighborhood

👤 Diverse customer base

🌐 Website launching soon!

Note: Prices in this quote are starting prices. We'll factor in the details after the initial discovery call

Start-up Plan

\$450 / month

Get Casa Grande in front of 15,000+ local households through a monthly publication. Hands-off campaign, you just send us the monthly promotion and images.

Good for: **Brand Awareness**

Included:

- 1/4 Page ad space in WBHG Monthly
- Free landing page to extend your Ad. The landing page lives on WBHG's site so you don't have to worry about updating anything. We'll do it for you.
- Shared paid social ad placement on Facebook & Instagram
- Ad copy and design handled by WBHG. Images handled by Casa Grande.

Things to consider:

- Community shared Ad space. This is great for keeping visibility and building initial brand awareness. Casa Grande still needs to do standalone brand messaging to keep growing.
- The FREE landing page is perfect while you build your site and to easily test messages once you have your site. It is important for Casa Grande to have their own place where people can check promotions, deals, events, etc.
- We have to measure impact by tracking foot traffic, sales, and digital presence growth. We need to make sure we have the infrastructure for this.

Optional Add-Ons:

- Spanish translation of all content and design with both languages: **\$80**
- Monthly photo session with 30 - 40 edited photos: **\$450**

Building a Brand Plan

\$650 / month

Digital Ads & Reputation Management

Two targeted ad campaigns a month, and someone actively managing how Casa Grande Supermercado shows up on the internet

Good for: ***Brand Awareness & Reputation Management***

Included:

- 2 Meta Ad Campaigns a month (Facebook & Instagram.) Custom graphics are extra.
- 1 organic post per week with product features, behind the scenes, specials, etc.
- Business profiles optimization across Google, Apple, Bing, Nextdoor, etc.
- Review and community management across multiple channels.
- Monthly performance recap

Things to consider:

- Organic reach build over 60 - 90 days, minimum. We'll create 2 to 3 posts a week for the 1st month and then 1 post a week. We want to get the first 12 post out quickly and then drive content with data.
- Weekly posts and Ads will be a mix of static images, carousels and short videos.
- Short videos are recorded with an organic design.
- Ad spend \$20 - 50 to start is billed separately and paid directly to Meta. We run how and when the campaign runs and we take care of optimizations.
- Business profile optimization across channels is the most cost-effective action you can do right now.

Optional Add-Ons:

- Spanish translation of all content and design with both languages: **\$80**
- Monthly photo session with 30 - 40 edited photos: **\$450**.
- 2 Reels with custom edit a month: **\$250**
